Dear PAHVRP member:

It is that time to renew your membership in the Pennsylvania Association for Healthcare Resource Professionals (PAHVRP). We hope you will continue to support our organization, either by renewing your membership or by joining for the first time.

Join the strongest Volunteer Resource Professional Association in PA. We value your participation, as it strengthens our mission. We have quarterly meetings that are held at various locations throughout Pennsylvania, and these meetings give you the opportunity to network with volunteer management professionals from hospitals, hospices, long-term care and other facilities who utilize volunteers. Please visit PAHVRP website: www.psdvs.memberlodge.org, where you can as a member access discussion forum, educational opportunities, conferences, and more.

2020 membership dues are $80 per year - due January 1, 2020

Please see the registration form for multiple memberships discounts from the same organization/network. Kindly mail your completed application with a check payable to PAHVRP to the State Treasurer, Christi Brown, at the address listed on your invoice.

PLEASE INCLUDE A COPY OF YOUR MEMBERSHIP REGISTRATION FORM WITH YOUR CHECK.
